### STORICO RG SEMINAR

IL 24/02/2011 TI SCRIVO

Ciao Dario

Visto che ho scritto a Rickson che ne avrei discusso con te in riunione, come ti avevo accennato alle gare del 20, gentilmente fammi sapere quando puoi indire una riunione col tema in oggetto, che ti porto il format di Rickson inviati e confermatomi.

Grazie  
Emilio

TESTO ORIGINALE INVIATO DA ME A RICKSON GRACIE IN DATA 21/02/2011

Dear Rickson

Considering the remarkable importance of your format and of the event you suggest in a large scale, I believe it is impossible to organize all in such a short time, so by May 7<sup>th</sup> it is unthinkable to promote such an important event.

Ideal would be to start right now with online interviews to advertise an event of this kind, with a web page to be published on your site with the link to my academy and italian federation, with the aim to collect starting from now subscriptions to RG Seminar that at this point I would propose to organize for a date suitable for you at beginning of 2012.

This way we will be able to understand the target for attendance to the important event.

I have started to discuss yesterday with the national president of Italian Federation at Ju jitsu Italian Championships in Genova, and we will have very shortly a meeting with the whole board of directors specifically on this.

Anyway to be able to finally submit for approval such an important format, maybe it's better if we have a face to face meeting when it can be feasible for you, to analyze all points of this important event. Which will be not in our intention an isolated one, if properly organized I would like it to be the first one of a close cooperation with you to promote with us Gracie Jiu Jitsu in Italy.

Thanks  
Emilio
